Grantees are responsible for ensuring that their respective project sponsors carry out activities in compliance with all applicable requirements.

(b) *Grant agreement.* The grant agreement will provide that the grantee agrees, and will ensure that each project sponsor agrees, to:

(1) Operate the program in accordance with the provisions of these regulations and other applicable HUD regulations;

(2) Conduct an ongoing assessment of the housing assistance and supportive services required by the participants in the program;

(3) Assure the adequate provision of supportive services to the participants in the program; and

Sec. 574. 510 Environmental procedures and standards.

Before any amounts under this program are used to acquire, rehabilitate, convert, lease, repair or construct properties to provide housing, HUD shall perform a review in accord with 24 CFR part 50, which implements the National Environmental Policy Act and the related Federal environmental laws and authorities listed under 24 CFR 50.4. In performing its environmental review, HUD may use previously issued environmental reviews prepared by other local, State, or federal agencies for the proposed property. The grantee will cooperate in providing these documents. HUD must, however, conduct the environmental analysis and prepare the environmental review and be responsible for the required environmental findings. An environmental assurance shall be provided by an applicant for formula allocations or competitive awards in accordance with 24 CFR 50.3(i).
